Local Multiservice *highly recommended*

Description: Raine. He's from Colorado, but lives in PV with his Mexican wife. He is a super chill person and is available for hire at about 15 USD per hour, which is a bargain! Furthermore, he is open to help with just about anything. I usually use him to help me with phone calls that need to be done in Spanish and with other translation needs. But he has a nice Toyota pickup truck and can help you move, paint, clean, and he is a fabulous chef, so he can cater a party. He's been in the restaurant business all his life, but lost his restaurant in PV due to the lockdowns. He also has recently created a line of specially prepared spices for cooking.

The list is so far compiled of Josh's recommendation that he shared on Telegram (Credits to him)

Yamada Sushi

Description: below act 2 is amazing. Jorge is fluent in English and super awake. The guy came up to me 2 years ago and asked me if I had ever heard of David Icke

I didn't even say anything ideological to him before he asked me. He told me from April 2020 that the whole thing is a scam to depopulate.

He's unjabbed though the staff mostly are. Voluntarily. The sushi is amazing. As is the hibachi. He used to cook in Las Vegas and is a dual citizen.

Calmate Cafe and restaurant

Description: is one of the places I've gone to the longest. They're on Honduras and the owner Manny is a good friend who is unjabbed. I watched him fight (verbally) inspectors several time over the past couple years.

Amazing wraps (comote wrap is nice and filling) and the matcha latte Frio is amazing. It even has massala in it.

He owns the salad bar a few businesses east.

Navigation Links: [Google Maps](#): - [OpenStreetMaps](#):

Burning Burrito

Description: which many of you have gone to is absolutely amazing. The owner and his wife are super awake. Totally family owned and operated. They opened only recently after the flood.

They do not wear masks themselves (except the chef from time to time).

Navigation Links: [Google Maps](#): - [OpenStreetMaps](#):

Los Abuelos

Description: on the beach is a little run down and there are a lot of sales people around. But they have never asked for masks and in fact are the only place on the beach that NEVER shut down during lockdown and broke the mandates and acuerdos every night.

They have cheap drinks, good chili relleno. Beautiful sunset views.

Navigation Links: [Google Maps](#): - [OpenStreetMaps](#):

Oscar's

Description: which you all know. Fancy, great food and cocktails, not much needs to be added.

Navigation Links: [Google Maps](#): - [OpenStreetMaps](#):

Mango's (Beach Club)

Description: is a really chill day club with live DJs often playing, interesting food selection and just relaxing over all. Is on the beach on Uruguay.

Navigation Links: [Google Maps](#): - [OpenStreetMaps](#):

Los Toneles

Description: is amazing fancy food. Expensive but never asked for a mask and opened quite recently. Really amazing menu.

Navigation Links: [Google Maps](#): - [OpenStreetMaps](#):

Mama Caguamas

Description: never asked for masks and have been very open to our groups. Many of our group play music there and indeed MET there. If you go any night (other than monday) you are sure to bump into freedom lovers.

Navigation Links: [Google Maps](#): - [OpenStreetMaps](#):

The Cafe

Description: 2 doors south of mama caguamas loves freedom and the staff doesn't wear masks.

Navigation Links: [Google Maps](#): - [OpenStreetMaps](#):

El Carboncitos

Description: is my favorite taco cart in the city. The pastor is incredible. On Honduras near the water and across from captain Don's. Excellent night time food. Much better than Pepe's which is also a great option. Cheap and delicious. Very local. Most people working there do not speak English.

Very well known cart among locals. A hidden secret.

Navigation Links: [Google Maps](#): - [OpenStreetMaps](#):

Yambak

Description: which many of you have been to. They're amazing. 3 floors. Music 3 days a week. Lively scene. The first nightclub in the city to reject the vax pass. Owner once told me he wants it to be the headquarters of the resistance.

Arturo is an amazing business person. Makes great pizza and is super awake. He owns yambaks in sayulita, Aguas calientes and PV.

Navigation Links: [Google Maps](#): - [OpenStreetMaps](#):

Casa Traditional

Description: next to the Guadeloupe church in Centro. Amazing barbacoa and pibil. Large tequila collection. Never asked for masks that I know of. Highly recommend.

Navigation Links: [Google Maps](#): - [OpenStreetMaps](#):

Club Liberty

Description: next to Liberty karaoke. Extremely local and the locals do NOT like you playing American music. Haha

Appears rough at first sight but it's a good place that always opposed the vax pass and has super cheap drinks and food. Never been asked for a mask there, though Liberty karaoke, the 3 floor place next door HAS asked for masks back in 2020.

Navigation Links: [Google Maps](#): - [OpenStreetMaps](#):

Lit Nutrition bar in 5D!

Description: Next to Liberty karaoke. Extremely local and the locals do NOT like you playing American music. Haha

Appears rough at first sight but it's a good place that always opposed the vax pass and has super cheap drinks and food. Never been asked for a mask there, though Liberty karaoke, the 3 floor place next door HAS asked for masks back in 2020.

Puro Peru

Description: up the hill from Malecon you find a Puro Peru it has great cuisine from you guessed or Peru for those that don't know it's is kinda like wok food but with different spices etc. - the owner has been called out for not telling people to wear masks and is just a great person

There is a small TV where you can see him cook which is very entertaining - it's just a home that works as a restaurant so it has a very relaxed atmosphere
