

Chat groups overview

So once you start talking to other community members you will find out that there is gonna be a Telegram or Session group for almost everything - Here I have tried to collect info about the most common groups

If you want me to list your group on here then feel free to reach out to me

Session groups:

Telegram groups:

There are many groups & apps in Puerto Vallarta used for activity & organization. These are all the Telegram groups that Henza has collected so there might be more

If you want your group listed then feel free to reach out to @Madsjuhl on Telegram with link for your group

When you click on one of the groups you will be sent to a simple landing page for the group click join group and you will be forwarded to the group in your Telegram app

Contact @Madsjuhl if some of the links are broken
