## Local Multiservice \*highly recommended\*

**Description:** Raine. He's from Colorado, but lives in PV with his Mexican wife. He is a super chill person and is available for hire at about 15 USD per hour, which is a bargain! Furthermore, he is open to help with just about anything. I usually use him to help me with phone calls that need to be done in Spanish and with other translation needs. But he has a nice Toyota pickup truck and can help you move, paint, clean, and he is a fabulous chef, so he can cater a party. He's been in the restaurant business all his life, but lost his restaurant in PV due to the lockdowns. He also has recently created a line of specially prepared spices for cooking.

**Accepted payment methods:** Pesos (Cash)
